Stewardship Update
December 31, 2017

Weekly Proposed Budget 2017 \$4,146.50
Contributions: for operating budget: \$ 0.00

Amount collected for December Benevolence:
ELCA Good Gifts \$2,568.00
Salvation Army Food Bank \$ 445.00
Christmas Day Dinner \$ 550.00
Global Church Missionaries \$1,000.00

Attendance: **Sunday:** ___

Children's Sermons ~ this wonderful ministry is looking for a few new members to join the team. Are you good with Children? Maybe this is a ministry for you. Please contact Barbara in the church office to add your name to the roster.

Fellowship time ~ with our move to one worship service on Sunday mornings I am looking to "amp" up the list of people willing to bring snacks and serve as coffee hour host or hostess. If you would be willing to be added to the list of those supplying snacks on Sunday mornings please let **me or Barbara know ASAP**. You would be on the list to provide snacks about every 6-8 weeks. When providing snacks it is asked that you provide at least 3 dozen- Diane Jewell

Annual Report ~ We are working on assembling the report for the Congregational meeting. If you are the chair of a committee, please get your report into the office by January 5, 2018.

Annual Congregational Meeting ~ will take place on Sunday January 28, 2018 after the morning worship service. Please make arrangements to be there.

Immanuel Lutheran Church will be hosting a Life Line Screening preventive health event on **Tuesday, January 16, 2018**.

The **6 for Life Health Assessment** measures your risk of developing 6 chronic diseases, including heart disease, congestive heart failure, stroke, diabetes, COPD and lung cancer. A customized report will determine which risk factors contribute most to your disease risk and are within your control to change. Finger-stick blood tests along with biometric measurements are included with this assessment. These are separate from our vascular screenings.

Do you know your risk for Prostate Cancer?

- A Prostate Cancer PSA test is the most accurate method for the detection of prostate cancer
 - 1 in 6 men will get Prostate Cancer
- PSA tests have been used for over 25 years
A simple PSA blood test could save your life. Protect your health by finding out your risk of Prostate Cancer.

Protect your health by registering today. Call **1-888-653-6441** or visit www.lifelinescreening.com/communitycircle or **text** the word **circle** to **797979** to schedule your appointment. Take control of your health, knowledge is empowering.
